

My xpoints journey continued in 2023
By Juriaan Feberwee (Nethershadow)

Its been another year already.
Time flies while you're having fun.
Bellow my brews for the past year.

BG Distress

XptOS Monthly #24

Another attempt to a Distress deck, this time with green. Not fast enough most of the times.

Skull of Yawgmoth

XptOS Dutch Open 2023

This deck abuses Priest of Yawgmoth to get an Colossus out fast. Following an attack up with a very big Drain Life for lethal. One of the most fun decks to play. Full of synergies and tricks. Got it to work way more than i expected.

Drafna's Robots

XptOS Monthly #25

This time a Blue and Red version of the Robots deck. Love to play robots.

Goblins of Andrek Sahr

XptOS Monthly #26

Goblins at the start turning into a midrange Sedge Derelor. Worked pretty nicely

Drafna's Arts

XptOS Monthly #27

Wanted to try the Clockwork Avians, they did not shine. The downside is really hard to work with.

Deadguy's Ale

XptOS Monthly #28

Very nice deck to play. Lot of answers.

Distress

XptOS Monthly #29

Another attempt at Distress, this mono black.

It was depending to much on Underworld Dreams to be consistent.

Pink LionVice

XptOS Monthly #30

Thought it looked really strong. Didnt win a match. It just wasnt meant to work this time lol.

XptOS Monthly #31

I skipped this one due to vacation.

Yawgmoth's Skull

XptOS Monthly #32

Another brew with Priests of Yawgmoth, so much fun to play.

The Deck

XptOS Monthly #33

This version of The deck i build to see if it would work without the duals. It went 4/2 and just missed the top 16. Almost never got any mana issues with it. You can watch it on Timmy Talks.

Watch it here if you are interested in seeing it in action:

The Swamp King

XptOS at the WincOn in Genoa Italy

This was such a special experience. The trip, the people, the magic and above all the gathering. Been glad to represent the xpoints community at this great event. My travel buddy Frank went all the way to the semi-finals, well done Frank!

Kaminsod's Transmutation

XptOS Monthly #34

People of the Wood with Transmutation been a plan for a long while. Finally completed a playset and build it. Met way to many spike decks to get it to function well.

The Towering Inferno

XptOS Monthly #35

Wanted to abuse Shapeshifter with Inferno. Making it a 0/7 then cast inferno on opponents turn. In upkeep swap it to a 6/1 to attack. Never happened but it was a great fun to play this deck.

And this was the final year that i made the alters for the winners of the xpoints monthly and special tournaments. Been a blast, but got tedious at some moments also. Been over 40 alters now and I felt it was time to move on.

Here are those from the past year:
